TO: Chief Operating Officers of Virginia Cities, Counties, and Regional Jails

FROM: Daniel S. Timberlake 

SUBJECT: State Aid to Local Governments

Item 472 of the 2012 Appropriation Act requires that state aid to local governments be reduced by \$50.0 million statewide in FY 2013. The act further requires that, as Director of the Department of Planning and Budget (DPB), I provide you a list of the state's aid-to-local-government programs that serve as the basis for calculating each locality's share of the \$50.0 million savings. This listing of programs and reduction amounts for FY 2013 is now available in a spreadsheet on DPB's Web site at <http://dpb.virginia.gov>.

### **Official Form**

The form that you must use to select your locality's reduction strategy for FY 2013, along with instructions, is located on DPB's Web site with this letter. Please note that this form **must be submitted to DPB by August 30, 2012.**

### **Reduction Options**

Similar to last year, your locality may achieve its reduction by using one of the following methods:

- 1) You may designate that the reductions be withheld from the payments for one or more of the programs in the list provided by DPB;
- 2) You may make a reimbursement payment directly to the Commonwealth of Virginia for the full amount of your locality's reductions; or
- 3) You may choose a combination of program reductions and a reimbursement payment.

### **Program Reduction(s)**

Your locality's form contains a list of the state programs from which you may choose to make reductions. Your locality's share of the \$50.0 million reduction is based on FY 2013 projections of state payments to localities that DPB received from each of the cognizant state agencies responsible for the listed programs. Each agency's "estimate" is shown in the column entitled "FY 2013 Base." Please note that actual FY 2013 funding distributions may differ, especially in the case where the payments are made on a reimbursement basis.

A calculated reduction (based on an equal proration) for each of these programs also is included for your reference in the column entitled "FY 2013 Calculated Reduction." You are not obligated to use the amount listed for these individual programs. You must, however, ensure that the total of your elections adds up to the total calculated reduction for your locality, including any amounts that you wish to pay directly.

To select a specific program, enter the amount in the applicable row for that program in the column entitled "FY 2013 Locality Elected Reduction." If you wish to select the calculated reduction amount, simply copy the amount from the "FY 2013 Calculated Reduction" column to the "FY 2013 Locality Elected Reduction" column.

### **Payment**

If you are making a direct payment to the Commonwealth for all or a portion of your locality's share of the reduction, there is a row provided on the form entitled "FY 2013 Locality Elected Reduction" where you should enter the amount of the payment. The FY 2013 reimbursement amount **must be paid to the Commonwealth prior to January 7, 2013**. If you elect to reimburse the Commonwealth by direct payment, you may pay by check or wire or you may deposit the funds directly into the state account in which you normally deposit state funds. **Instructions for making the reimbursement are found in Attachment A.**

### **Important Note**

**Effective October 1, 2012, the State Comptroller will begin withholding your locality's rolling stock and recordation tax distributions if you have not notified DPB of your reduction option.** (The annual rolling stock distribution and the remaining recordation tax distributions will not be allocated until you have made your reduction selection.) If withholding your locality's rolling stock and recordation tax distributions for FY 2013 is not sufficient to fully cover the reduction amount, the remaining balance will be withheld from a local program that DPB deems most discretionary.

Note the 2012 Appropriation Act contains one new requirement. No new certifications or changes to previously submitted certifications will be accepted after November 14, 2012.

### **Procedure for Submitting**

After you have completed the form –

- 1) E-mail an electronic copy to [budget@dpb.virginia.gov](mailto:budget@dpb.virginia.gov) **and**
- 2) Mail a hard copy to DPB along with a memo/letter, signed by your city or county administrator or equivalent approval authority, certifying your locality's reduction elections. Mail the hard copy of the form and the signed memo/letter to the following address:
